## About CGC

As Canada's foremost event for professional growers, the Canadian Greenhouse Conference is an industry connector, attracting growers from across North America, presenting experts from around the world and showcasing innovative techniques, research, products, and technology. The CGC is the optimal platform to promote your business, develop new contacts and strengthen existing customer relationships.

## REIMAGINE!

The future is bright for horticulture and the Canadian Greenhouse Conference is ready to work with you, our industry partners, to equip growers with the information and connections they need to move their business forward.

Facetime matters! The CGC offers the ideal opportunity to personally interact with your customer, building relationships while promoting your products and your team — all in an enjoyable, vibrant atmosphere. Take advantage of our social events to strengthen connections. Consider the many sponsorship and advertising opportunities to enhance your presence at the show.

[CanadianGreenhouseConference.com](http://CanadianGreenhouseConference.com) has all the information you need to plan your role in the 2023 show. **Don't delay — exhibitor discount pricing expires March 31 and sponsor opportunities are scooped up quickly.**

*As a not-for-profit organization, the CGC considers its exhibitors and sponsors to be partners in serving Canadian greenhouse sector. We look forward to continuing those key relationships in 2023 and beyond. Take time to review all the opportunities in this brochure. How will you participate at the CGC this year?*
