

2021 New Variety  
Presentation

# Headliner™ Petunia

**NEW Crystal Sky**

**NEW Electric Purple Sky**

- Medium vigor, mounded petunias with big blooms.
- Two new Sky types expand the series with unique colors and patterns!

NEW Dark Violet Picotee 21

NEW Crystal Sky

NEW Electric Purple Sky

# Headliner™ Petunia

## NEW Crystal Sky

- Sister plant to Night Sky®, this variety is a perfect match in timing, habit and vigor.
- Sky pattern has more stability than Night Sky.

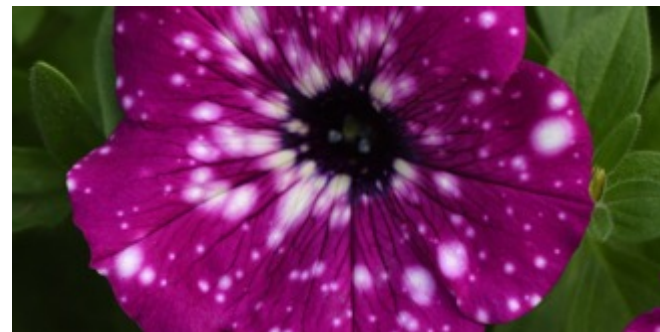

NEW Crystal Sky

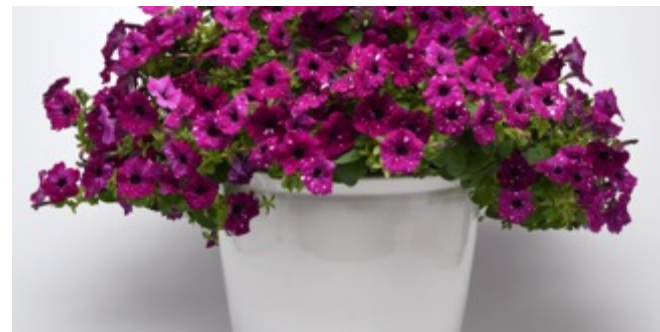

# Headliner™ Petunia

## NEW Electric Purple Sky

- Vigor and habit match the Headliner series.
- Earlier to flower when compared to Night Sky.
- Sky pattern has more stability than Night Sky.

NEW Electric Purple Sky

# Main Stage™ Petunia

## NEW Glacier Sky

- Our most vigorous petunia line with a trailing habit in large baskets and excellent garden performance.
- **NEW Glacier Sky** is the first Sky-type variety to join the Main Stage series!
- Features huge blooms with a deep blue hue and a white picotee edge, speckled with white stars!

# Gisele<sup>®</sup> Phlox

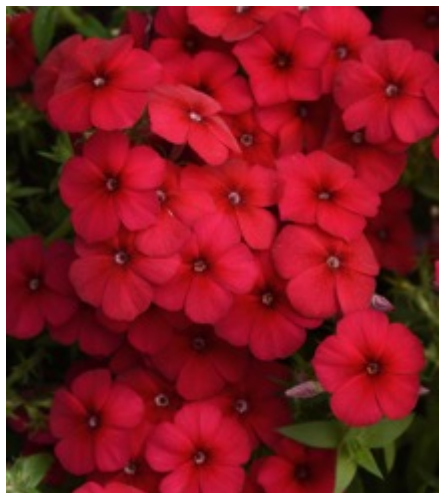

**NEW Red**  
**NEW Light Pink+Eye**  
**NEW Purple**  
**NEW Scarlet**

- Series is bred for reliable rooting, heat tolerance and large, attractive flower clusters.
- Trialed all over North America, Gisele is a top performer across all areas; great in gardens, continuously producing colorful blooms.
- **NEW Red** is exceptional for heat tolerance and landscape performance.
- **NEW Light Pink+Eye** is an upgrade to Light Pink for increased vigor to match the series and improved cutting quality.
- **NEW Purple** adds a new color to the series and has big bloom size.
- **NEW Scarlet** has a bright flower color and is excellent for Fall sales.
